

June Examination

1.5 hours

ANSWER ALL FIVE QUESTIONS

Education Governance, Leadership and Management

1. What are common and different in respect of governance concerns related to the hiring and disciplining of the (two) teachers at San Souci and Schweizer-Reneke? [6]
2. Specify at least **THREE** management errors made by Parktown Boys in dealing with the drowning of student Enoch Mpianzi [6]
3. The next two questions relate to the construct theory of action:
 - 3.1 In your own words, what is a theory of action in the context of policy analysis? [4]
 - 3.2 What is the theory of action evident in the work of the organisation *Partners for Possibility*? You must present this answer in a single sentence in the form of If X (input variable) then Y (outcome variable) [4]
4. Explain how ZONING as a management strategy can be used to either advance OR impede transformation through a school's admission policy? [10]
5. How do you explain the so-called "tipping point" behaviour of white parents? [10]
